Arabic Short Vowels

In Arabic, short vowels are represented by diacritical marks (called "**harakat**") placed **above** or **below** the consonants.

—

Fatha

/a/

Used to give the "**a**" sound,
appears above the letter.

9

Damma

/u/

Gives the "**u**" sound,
appears above the letter.

/i/

Kasra

—

Gives the "**i**" sound,
appears below the letter.

○

Sukoon

/∅/

Indicates the absence of a
vowel, placed above the
letter.
